

**TO: Minnesota Workers Compensation Assigned Risk Plan (MWCARP) Policyholders**

**FROM: Affinity Insurance Services, Inc. (Affinity) – Plan Administrator of the MWCARP**

**DATE: March 6, 2018**

**SUBJECT: Safety Program Rating Plan – Rule Revision - Effective 04/01/2018**

In order to better align the Safety Program Rating Plan with MN Statute 79.253, the Minnesota Workers Compensation Assigned Risk Plan (MWCARP or Plan) has revised the program, effective 04/01/2018. The ***Assigned Risk Rate Pages, Miscellaneous Values*** section provides the details of the new plan.

The revised Safety Rating Program Plan – Rule is designed to help small employers paying less than \$15,000 in premium that are either in the top 25% highest rated employer classes or have an Experience Modification Factor of 1.25 or higher. Policyholders that qualify for the revised plan will receive on-site loss control services. These on-site loss control services will result in three types of recommendations, as follows:

Critical Recommendations  
Important Recommendations  
Advisory Recommendations

Employers receiving either Critical or Important Recommendations will receive a follow-up on-site loss control visit within 90 days to see if they have complied with the recommendation(s). If the recommendation(s) have been completed, the employer will receive a premium credit (10% for Critical and 5% for Important). If the recommendation(s) have not been completed, the employer will receive a premium debit (5% for Important) or a Cancellation Notice if a Critical Recommendation has not been addressed.

**Taxicab Driver Payroll**

When the payroll of taxicab drivers is not verifiable in the payroll records of the insured, the payroll of such drivers shall be established as 150% of the statewide average weekly wage extended for the period of employment during the policy term.

If the owner also rents or leases the vehicle, an additional premium will be charged for each leased or rented vehicle per policy year based on 100% of the statewide average weekly wage extended to an annual basis.

---

**Experience Rating Eligibility**

A risk is eligible for intrastate experience rating when the payrolls or other exposures developed in the last year or last two years of the experience period produced a premium of at least \$11,000. If more than two years, an average annual premium of at least \$5,500 is required. The *Minnesota Ratemaking Report* should be referenced for the latest approved eligibility amounts.

---

**Merit Rating Eligibility**

A risk is eligible for Minnesota merit rating when payrolls or other exposures developed within the rating period do not qualify an employer in the Minnesota Assigned Risk Plan for an experience modification factor. Refer to the *Minnesota Experience Rating Plan Manual* for information on the Minnesota Assigned Risk Plan Merit Rating Program.

---

**Waiver of Subrogation**

A risk may be eligible to request that the Waiver of Our Right To Recover Endorsement - WC 00 03 13 (waiver of subrogation) be applied to a specific job only. The risk must provide the Servicing Carrier with the following information: job location; a copy of the construction contract; duration of the job (including beginning date and ending date); a description of the work to be performed; the estimated payroll dollars expended on the job; the class code(s) of the employees on the job; and the number of employees on the job.

The inclusion of this endorsement will generate an additional premium charge of 5% of the payroll for the specific job times the appropriate classification rate(s), divided by 100; subject to a minimum premium charge of \$100.

---

**Safety Program Rating Plan - Rule**

The Safety Program Rating Plan is established pursuant to MN Statute 79.253. This plan is applicable to small employers insured in the Assigned Risk Plan. Assigned Risk policyholders meeting the following criteria are eligible for this program, as follows:

Total estimated annual premium is less than \$15,000; AND

- o The premium rate for their governing classification code is in the top 25% of premium rates for all classification codes; OR
- o The Experience Modification Factor is 1.25 or higher.

The total net debit or credit produced by this rating plan is added to unity then applied multiplicatively to the risk's standard premium (i.e. after the application of the experience rating factor). The result is the risk's net premium.

Assigned Risk Plan policyholders subject to this plan shall receive an on-site safety inspection, provided by the Assigned Risk Plan, at no cost to the policyholder. The applicable credit or debit shall be based on the results of the on-site safety inspection, the recommendation(s) level for safety improvement and the employer's compliance with the recommendation(s).

Employers receiving Critical or Important Recommendations will receive a follow-up on-site safety inspection not less than sixty (60) days nor more than ninety (90) days following the issuance of the Recommendation Letter in order to confirm compliance with the recommendation(s). The credit or debit shall be applied at the time of the final payroll audit as follows:

<b><u>Recommendation Level</u></b>	<b><u>Disposition</u></b>	<b><u>Result</u></b>
Critical Recommendation(s)	Uncorrected	Cancellation
Critical Recommendation(s)	Corrected	10% Credit
Important Recommendation(s)	Uncorrected	5% Debit
Important Recommendation(s)	Corrected	5% Credit
Advisory Recommendation(s)	N/A	No Credit or Debit

---

The Recommendation levels are defined as follows:

**Critical Recommendations** – These are recommendations related to a condition or practice creating a high potential for loss of life and/or severe bodily injury.

**Important Recommendations** – These are recommendations related to conditions or practices that need improvement to make the risk more desirable from an insurance perspective, but do not create a high potential for loss of life and/or severe bodily injury.

**Advisory Recommendations** – These are recommendations related to improvement to administrative functions and oversight, including the establishment of written safety programs and protocols.

Participation in the Safety Program Rating Plan is automatic for employers meeting the eligibility criteria. For additional information regarding this plan, inquiries should be directed to Cheryl Perkins at the MW CARP by writing MWCARP – Attn: Safety Program Rating Plan; 5600 West 83rd Street, 8200 Tower, Suite 1100; Minneapolis, MN 55437, by phone at 612-202-7192 or by email at [cheryl.l.perkins@aon.com](mailto:cheryl.l.perkins@aon.com).
